Admiral

The Admiral is an impressive lectern made from **100% American oak** and provides the portability needed for any event. With the **installed casters**, and **lightweight** of only 65 lbs, transportation for the Admiral will be a cinch. The Admiral conveniently fits a Liberty or Explorer Pro Sound System right into the rich oak cabinet space perfectly. Simply plug the microphone connection into the back of the sound system, and you have turned the **portable sound system** into a formal, powered lectern with a 24" gooseneck electric mic. Use the Admiral at your next **indoor/outdoor** event, school presentation, city council meeting, and more!

FEATURES

- American oak
- Microphone mounted on detachable 24" gooseneck
- Gooseneck electret microphone to pick up even the most soft-spoken presenters
- Designed to safely hold Liberty Platinum & Explorer Pro Sound Systems
- Connects to existing PA systems via XLR microphone connector
- Shock-absorbing microphone mount lets you boost volume without adding feedback/vibration noise
- Tilt-n-roll casters for easy transport
- Lectern ships flat in one box (sound systems sold separately)
- Easy assembly with Phillips screwdriver (not included)
