

# AN-Mini

The AN-Mini speaker monitor is the **most powerful, smallest system** in the market. The AN-Mini is **battery-operated** so you **can take it anywhere**. It delivers a powerful **109 db of sound**, which will project **clear, intelligible** speech to audiences up to 50+. **Just switch** it on and you are ready for any indoor or outdoor assemblies. You can also **connect your iPod, MP3 player, or CD Player** to the AN-Mini. Perfect for any school event, special event, classroom, or cheer squad.

# AN-30

The AN-30CP Contractor Package was designed to respond to dealers who install projectors, sound systems, screens or flat panels in classrooms, conference rooms and meeting rooms. It is the logical evolution of the AN-Mini to meet the requirements of install projects that require a **powered speaker** mounted on a wall or ceiling. It is available in black, clear, yellow, blue, and red.

The AN-30 speaker is the **smallest system** in the Anchor Audio line of products and offers **a lot of sound** in such a small cube. With **30 watts** of rated power output, the AN-30 can cover a typical sized conference room or classroom with ease. The AN-30 is so **lightweight** at less than two pounds that it **mounts** to a wall or ceiling quite effortlessly. Combine an AN-30 with a projector in a classroom for the perfect audiovisual solution.
